

2026 Nursery/Landscape EXPO - EXPO GARDENS CONTRIBUTOR FORM

Company _____ Contact Person _____

Address _____ City/State/Zip _____

Telephone _____ Booth # _____

Contact Email: _____ Approximate \$ Value of Donation: _____

DELIVERY/LABOR SCHEDULE: (Please check appropriate boxes for labor and/or product delivery)

Date	Product Delivery Morning	Product Delivery Afternoon	Volunteer Labor Morning	Volunteer Labor Afternoon	Name and/or # of Persons to Help
Monday, August 10th					
Tuesday, August 11th					

All product delivery is encouraged by noon Tuesday to allow time for crews to finalize design construction and installation. If you are unable to deliver your product by this time, or if you have any questions, please call 512-579-3864.

The Nursery/Landscape EXPO continues its popular EXPO Garden Area and will be designed to reflect all ten of Texas' diverse wildflower and vegetational regions. These curated landscape spaces showcase your products in highly visible, immersive settings, offering a unique opportunity to highlight your company as part of a living exhibit seen by thousands of attendees.

Loan or Donate Plant or Hardscape Materials

Bring a little extra of your plants or product (see enclosed list) for use in the EXPO Gardens areas.

Lend-a-Hand

Volunteer time during EXPO setup to help in the installation of the EXPO Gardens areas.

All donors materials will be acknowledged through *on-site display signage*. Take advantage of this free display and advertising opportunity for your company and your product at the 2026 Nursery/Landscape EXPO.

1. TO LOAN OR DONATE PLANT OR HARDSCAPE MATERIALS:

Suggested product for the pre-designed EXPO Gardens areas appear on the following pages. Please indicate which plants and/or materials you would like to provide. Please note the following:

- ▶ Products on this list are grouped by area; and, therefore, may appear more than once.
- ▶ Comparable varieties or substitutions are ALWAYS welcome — make us an offer.
- ▶ Indicate the date and approximate time for delivery of your materials — since installation of EXPO Gardens areas must be completed by EXPO opening, we encourage material delivery as early as possible.

DONATIONS: Product can be donated to one of the selected recipient organizations located in and around the San Antonio area. Donation tags will be provided on-site to attach to all materials indicated as **Donate** on the attached list. Donations are tax-deductible and receipts will be issued.

LOANS: Product can be loaned for use only during the 2026 Nursery/Landscape EXPO, be sure to indicate **Loan Only** next to your product contributions on this form. At the close of EXPO, it is the responsibility of each exhibitor to reclaim their loaned materials and remove them from the exhibit hall according to scheduled move-out times.

2. TO LEND-A-HAND:

Volunteers who can help install the EXPO Gardens displays are encouraged and welcome. Experience is helpful, but not necessary. Volunteers should bring your own gloves and supplies. We especially need help on Tuesday — since most material will be delivered by then and finishing touches must be completed by the end of move-in on Tuesday afternoon.

Complete and return this Contributor Form to: TNLA • 1405 Arrowpoint Dr Suite 1008 • Cedar Park, TX 78613
