Hello Valued Exhibitors and Sponsors,

We would like to take this opportunity to advise each and every one of our exhibit and sponsor contacts of the recent change to the Off-Road Expo Pomona that was announced in a separate press release on August 18th. At this time the primary contact for your company should have received a communication directly from your sales rep advising of the announcement that the 2020 Off-Road Expo Pomona will now be co-locating with the Off-Road Expo in Scottsdale, Arizona on October 17-18 along with the Sand Sports Super Show.

In the event that you or other contacts within your company have questions regarding the transition, please reach out to your dedicated sales rep for more information.

FOR IMMEDIATE RELEASE **Tuesday, August 18, 2020**

POMONA, Calif. (August 18, 2020) As a result of continued concerns over COVID-19, along with county and state restrictions in place in the state of California, Bonnier Events has made the difficult decision to postpone the Lucas Oil Off-Road Expo powered by General Tire, scheduled for October 3-4 at the Fairplex in Pomona, CA, to 2021.

Exhibitors who have already booked a booth for the Off-Road Expo in Pomona can transfer booth space to Off-Road Expo Arizona, at WestWorld of Scottsdale in Scottsdale, AZ, October 17-18.

Individual Spectator tickets to the Off-Road Expo in Pomona that were purchased online will be refunded automatically within 30 days. The staff of the Off-Road Expo appreciates your patience and support as we work through this unprecedented situation. We look forward to either seeing you in Scottsdale in October or back at Pomona in 2021.
