Providing Opportunities for Partners to Enhance their Brand

SOHO 2024 offers a number of unique exhibit and sponsorship opportunities for partners to increase awareness and adoption of their brand. Explore your options and access applications [here](#).

SOHO MISSION

The Society of Hematologic Oncology (SOHO) is an international society designed specifically for clinicians, research scientists and related health care professionals who specialize in the research and treatment of patients with hematologic malignancies. SOHO's mission is to expedite worldwide research and education through the exchange of scientific information.

FORMAT AND ATTENDANCE

Due to the growing size of the annual meeting, SOHO has expanded to a larger venue, the **George R. Brown Convention Center** in Houston, Texas. The move permits SOHO to continue its current format (no parallel sessions) and focus on presentations with the 'latest advances'. The move also provides a greater number of commercial opportunities for our valuable industry partners.

Join Us at SOHO 2024 and Make Connections that Matter!

The twelfth annual meeting of the **Society of Hematologic Oncology** (SOHO) is scheduled for **September 4 to 7, 2024** at the George R Brown Convention Center in Houston, Texas.

WHO ATTENDS?

Nearly 3,500 hematologic oncology professionals from around the world are expected to attend the SOHO Annual Meeting this year. The meeting provides attendees with cutting-edge education on the latest advances in the field, real-time application in the clinic as well as insights from leading, world-renowned faculty. Join us and connect with the largest audience *specific* to hematologic oncology.

As we continue to grow, the SOHO Annual Meeting will remain the place where top hematologic oncology professionals gather to advance the field.

WHY PARTICIPATE?

Join more than 100 organizations highlighting the most advanced treatments, products, and services in the hematologic oncology arena and interact with approximately 3,000 health care professionals from around the world.

Your presence as an exhibitor and/or sponsor at the SOHO Annual Meeting will allow you to interact face-to-face, build visibility, introduce new products and services, conduct product demonstrations, and generate new sales leads.

REACH A LARGER AUDIENCE THROUGH AN INDUSTRY EXPERT SESSION

Current exhibitors are encouraged to take advantage of Industry Expert Sessions (IES) and the opportunity to present live non-accredited educational sessions for up to 500 in-person attendees, highlighting a new service or the development of a particular product.

SOHO will provide food and beverage at the Industry Expert Session as an additional incentive for attendees to participate. In-person Theater sessions may be reserved for \$75,000 each and will be awarded on a first-come, first-served basis.

The application deadline is May 1, 2024. The deadline to submit all session details including title, speakers, and a description is June 1, 2024.

To learn more about sponsoring an Industry Expert Session and apply, please go [here](#).

INTERACT DIRECTLY WITH HEM ONC PROFESSIONALS

Recognized as the premier educational and scientific event in the hematologic oncology community, SOHO 2024 offers exhibitors a number of opportunities to reach nearly 3,500 health care professionals from around the world. More than 100 organizations will highlight the most advanced treatments, products, and services in the hematologic oncology field.

SOHO 2024: Expanded Exhibit and Sponsorship Options

With more than 90,000 square feet of exhibit space, SOHO 2024 offers more options than ever before. The show floor includes multiple attractions to increase flow and foot traffic. Meal programs are located in dedicated spaces within the exhibit hall. Two break areas are strategically placed with charging stations and live feeds from the education theater. Attendees must travel through exhibits to access Refreshment Breaks, Barista-Manned Coffee Bars and Registration/Badge Retrieval.

IN-PERSON OPPORTUNITIES

The SOHO annual meeting provides participants with the opportunity to engage with experts and colleagues in the hematologic oncology field. The meeting allows exhibitors and attendees to network and discuss the latest developments. SOHO is offering a number of new in-person opportunities this year to maximize your exposure. To view and apply, select the [“In-Person Opportunities”](#) tab.

SPONSORSHIPS

Sponsorship opportunities allow our industry partners to increase brand awareness, attract new customers and enhance business relationships with current customers. SOHO offers a number of sponsorship packages and opportunities to fit any budget. View the range of SOHO 2023 sponsorships and special event opportunities by selecting the [“Sponsorships”](#) tab.

EXHIBITS

Showcase your company's products and services to the largest gathering of hematologic oncologists on one show floor. The SOHO annual meeting is just the right size for attendees to spend quality time with exhibitors and sponsors. A limited number of room rentals are also available to exhibitors to allow extended conversations or small meetings. To view and apply, select the [“Exhibits”](#) tab.

VIRTUAL OPTIONS

As a hybrid event, the SOHO Annual Meeting offers a virtual forum for industry sponsors to participate in the exchange of information and ideas surrounding cutting edge developments in the hematologic oncology field. The planning committee, faculty and attendees alike appreciate the support of our industry partners. To view and apply, select the [“Virtual Opportunities”](#) tab.

ON-DEMAND INDEPENDENT SATELLITE SYMPOSIA

On-Demand, Pre-Recorded Independent Satellite Symposia (ISS) are one of the most popular contributor options at the Society of Hematologic Oncology 2024 Annual Meeting for a number of reasons. A satellite symposium provides:

- A high level of visibility and the opportunity

to highlight your organization's position as a leader in the hematologic oncology field;

- A highly respected forum for presenting important innovations and cutting-edge research;
- Increased recognition and goodwill among thought leaders in the hematologic oncology field.

BENEFITS OF INDEPENDENT SATELLITE SYMPOSIA

- Complimentary Virtual meeting registrations;
- Registration listing and Digital Program Link on the SOHO 2024 website for easy access to attendees;
- A listing of each symposium, including narrative description, location, and contact information, in the SOHO annual meeting program

Unlimited time slots are available for 1-hour, pre-recorded ISS. Sessions may be reserved for **\$50,000** each. On-Demand ISS slots are available when all on-site time slots are filled.

- To apply for an On-Demand Satellite Symposium, complete the [Virtual ISS Application](#) and return it to Belinda Melder at bmelder@jwccinc.com.
- The SOHO Education Committee will evaluate the content of the proposed program to ensure that there is no overlap with the educational content of the annual meeting and to confirm the quality of the session.
- All On-Demand, Pre-Recorded Satellite Symposia must be submitted in final MP4 format or link.
- All On-Demand, Pre-Recorded Satellite Symposia will be accepted once the on-site slots are filled.

Please refer to the [SOHO Independent Satellite Symposia Policies and Guidelines](#) for more detailed information.
