IMPORTANT MOVE-IN/MOVE-OUT NOTES

Move-In and Move-Out hours are VERY dangerous times on the Trade Show floor. **CHILDREN ARE STRONGLY DISCOURAGED DURING THIS TIME!** If you have your children with you, they must remain within the confines of the exhibiting company's booth space or accompanied by a parent or guardian during all move-in/out hours. NO EARLY BREAKDOWN OF EXHIBIT DISPLAY – NEW POLICIES/PENALITES IN PLACE PLAN YOUR TRAVEL ACCORDINGLY! EXPO Management will have designated personnel walking the show floor taking photographs to enforce compliance. Please respect the NEW registered attendees and their desire to do business on that final day along with your fellow exhibitors. *After the official opening of the Trade Show, absolutely NO wheeled carts/hand carts/dollies/wagons, etc. will be allowed in or out of the exhibit hall prior to 3:00 pm on the final day of EXPO. If you sell your booth to an individual, be sure to let them know of this restriction! There will be NO exceptions to this policy!*

VERY IMPORTANT INFORMATION for Exhibit Hall 3 exhibitors! Due to changes at the Convention Center ALL companies exhibiting in Hall 3 must be moved out Thursday, August 7th NO LATER THAN 10:45 PM. Any booth material left behind will be charged to the exhibiting company for labor and clean up.

SECURITY REMINDER

Nursery/Landscape EXPO security will begin at 5:00 pm on Monday, August 4th and continue through 10:00 pm on Thursday, August 7th. During this time, appropriate identification and/or proof of ownership may be requested by security personnel on duty before authorization is given to remove any property or merchandise from the exhibit hall. EXPO Management, the building operator, the general contractor, and the security company provide a reasonable measure of protection in and around the exhibit hall, but only you and your staff are responsible for your valuables. You have the sole responsibility for the security of your products and we strongly encourage each of you to exercise caution at all times, since it is impossible for EXPO Management and security personnel to always determine rightful ownership.

2025 NURSERY/LANDSCAPE EXPO EXHIBITOR SCAM ALERTS

BEWARE of non-authorized companies that prey on exhibitors at ALL large trade shows. We do have an official stamp for all 'authorized' vendors. If you do not see the 'Official Vendor' stamp (pictured above right) on their email or promotional materials, please call us immediately to verify authenticity. ***As always, be cautious of making arrangements with outside vendors for your booth! See below for the most common/frequent scammers!***

- **ATTENDEE LIST – SCAMMERS** – One of the most blatant scams out right now. Exhibitors are receiving emails and phone calls from individuals claiming to have the EXPO Attendee List for sale. Texas Nursery & Landscape Association is the **ONLY** entity that has our attendee list available for purchase. When exhibitors have responded to these people, they share a sample list of people nowhere near Texas. Stay aware and away from these scams.
- **Hotel Solicitations** - EXPO Exhibitors are currently being solicited by sometimes fraudulent hotel housing companies (*Global Travel, Convention Housing, Convention Expo, Trade Show Housing, etc.*) claiming to be able to provide you with lower hotel rates than the ones offered by EXPO Management. Please be aware that these companies will ask you to change your current reservation, pay a deposit up front and pay in full before you ever arrive at the hotel. We **STRONGLY** suggest you not take your chances with these companies. EXPO Management goes to great lengths to negotiate the best possible rate for EXPO attendees and is the only way you are guaranteed a hotel reservation. *****By going through our Official Housing Links, you can book now and pay later with no upfront cost. Flexible policies minimize cancellation fees & modify your reservations with ease.*****
When attendees do not book within the block of rooms provided, costs go up for everyone. Please remember this when booking your rooms in San Antonio. Make your hotel reservations with confidence and go to www.NurseryLandscapeEXPO.org on the Accommodations page to reserve your hotels. By choosing these preferred hotels, you are supporting the activities of the Texas Nursery & Landscape Association. TNLA Working For You!
- **Lead Retrieval Units** - There are 'Lead Retrieval' companies that will email you and try to sell you one of the units claiming you can use it at ALL shows. This is incorrect. You would have to purchase special software in addition to the unit in order to read our programming. Our attendee demographic information is programmed and will only work on the Lead Retrieval units provided by our '**Official' Lead Retrieval provider, GTR Events/Personify**
- **Booth Carpeting** - Exhibitors have been receiving calls from a company (*Under One Roof, etc.*) about renting your booth carpeting through their company and that it is cheaper than renting through our Official Service Contractor. The price of the actual carpeting may be cheaper, but you must factor in the delivery and set up charges that are applied through an outside vendor. You are not charged these fees through our designated contractor. Be sure to get all information with 'final delivered/set up fees' when making a decision to go to an outside vendor.

Please give us a call at 512.579.3858 or email EXPO@NurseryLandscapeEXPO.org if you need any further clarification on these issues.
