Nursery/Landscape EXPO continues the popular EXPO Gardens Areas this year in San Antonio, Texas. These specially designed and landscaped lounge areas demonstrate the grace and beauty of the products you sell in highly visible settings. Here is how you can have your products (*and company*) included in this year's displays:

- ▶ **Loan or Donate Plant or Hardscape Materials**  
*Bring a little extra of your plants or product (see enclosed list) for use in the EXPO Gardens areas.*
- ▶ **Lend-a-Hand**  
*Volunteer time during EXPO setup to help in the installation of the EXPO Gardens areas.*

All donors materials will be acknowledged through *on-site display signage*. Take advantage of this free display and advertising opportunity for your company and your product at the 2024 Nursery/Landscape EXPO.

### 1. TO LOAN OR DONATE PLANT OR HARDSCAPE MATERIALS:

Suggested product for the pre-designed EXPO Gardens areas appear on the following pages. Please indicate which plants and/or materials you would like to provide. Please note the following:

- ▶ Products on this list are grouped by area; and, therefore, may appear more than once.
- ▶ Comparable varieties or substitutions are ALWAYS welcome — make us an offer.
- ▶ Indicate the date and approximate time for delivery of your materials — since installation of EXPO Gardens areas must be completed by EXPO opening, we encourage material delivery as early as possible.

**DONATIONS:** Product can be donated to one of the selected recipient organizations located in and around the San Antonio area. Donation tags will be provided on-site to attach to all materials indicated as **Donate** on the attached list. Donations are tax-deductible and receipts will be issued.

**LOANS:** Product can be loaned for use only during the 2024 Nursery/Landscape EXPO, be sure to indicate **Loan Only** next to your product contributions on this form. At the close of EXPO, it is the responsibility of each exhibitor to reclaim their loaned materials and remove them from the exhibit hall according to scheduled move-out times.

### 2. TO LEND-A-HAND:

Volunteers who can help install the EXPO Gardens displays are encouraged and welcome. Experience is helpful, but not necessary. Volunteers should B-Y-O-G . . . Bring Your Own Gloves! We especially need help on Tuesday — since most material will be delivered by then and finishing touches must be completed by the end of move-in on Tuesday afternoon.
